Principals Report

Welcome back. We have had a great start to the 2020 school year, across the school students and staff are working hard to ensure 2020 is a great year at CTDHS. Thank you to parents, we appreciate your efforts to ensure their children are at school, on time ready for their learning. The uniform is looking great and on the whole our students are here ready for learning.

Swimming and Water Safety has started this week for our Primary Students – our students are very excited to be improving their swimming and learning about water safety. Next Thursday afternoon we have a Meet the Teacher afternoon. Please come and hear about your child's learning and take the opportunity to speak to your child's teacher to ensure they can provide the best learning opportunities for your child. Keep an eye out for the invitation for further details.

We encourage regular contact and sharing of information between home and school. Please do not hesitate to contact your child's teacher or a member of senior staff if you have any questions or concerns, or if there is information that may assist us in providing the best support for your child.

We have a very exciting year ahead, with many great learning opportunities for our students. I look forward to working with you to achieve the best outcomes for the children of Campbell Town and the surrounding areas.

2020 Student Leaders

We would like to introduce you to our 2020 Student Leaders. They will be meeting every Tuesday during Block 3. If you have any ideas for events or fundraisers you would like to see happen in our school throughout the year, please come and see us.

School Banking day is Thursday

Remember, **Thursday** is School Banking day and students can bring in their weekly deposit. For every deposit made at school, students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits.

School Banking is also a great fundraiser for our school. Our school receives a Regular Savers Contribution of \$5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

If your child has lost their book, please contact your School Banking Co-ordinator for a replacement or visit any Commbank Branch.

Thank you for supporting the School Banking program at Campbell Town District High School.

If you would like to know more about School Banking, please ask for a 2020 School Banking program information pack from the school office or visit www.commbank.com.au/schoolbanking
