

27th February 2020

Principals Report

Our 2020 school year is well underway, as we approach the half way mark of the term we have much to celebrate.

Swimming

On Tuesday our school swimming carnival was held in beautiful weather. Once again our students excelled on the day, the courage and can do attitude of our Primary students was certainly the highlight of the day. The fantastic atmosphere was amplified by many inspirational performances. Our participating Secondary students deserve a very big pat on the back – a particular congratulations to Jasmine, Grace and Carter for being great role models on the day. The support many of our Secondary students offered our younger students was great to see. Once again the community support of the event made the day a great success.

Meet the Teacher

Last week it was great to have parents come into the school to meet their child's teacher and to find out about their child/children's learning. Working together with parents to meet the learning needs of students is the best way we can ensure a successful learning journey for all children.

Visitors on Site

A quick reminder that all adults on school grounds between 9.00am and 3.00pm require a Registration to Work with Vulnerable People (RWVP). In addition to this registration all visitors must sign in at the school office. I thank you in advance for your cooperation with these requirements. If you have any questions or queries about this please make contact with me.

Parent-School Communication

All parents are encouraged to play a significant role in the education of their children at the school. The class teacher is the first point of contact in the school for parents. Sector leaders: Mrs Lydon (Mon, Wed, Thur), Ms Howard (Tues, Fri) in the Secondary, Mrs Bowerman K-Grade 2 and Mr Howlett Grade 3-6 and Ms Howard in the Senior Secondary are the next point of contact for parents. For higher level issues I am also available.

Appointments can be made with any staff member by contacting the office.

Our staff are as flexible as possible to meet or speak with you – by contacting the office they will be able to put you in contact with the required staff member or make another time that is convenient at a future date.

Do not forget school photos next week, Friday 6th March 2020.

Attention: Parents and Carers of students in Grade 4-12

Student Wellbeing Survey

The wellbeing of our students is important to us.

To get an understanding of how students across Tasmania feel about their own wellbeing, students in Grades 4 to 12 at Campbell Town District High School will be taking part in a wellbeing survey.

The Student Wellbeing Survey is part of the [Department of Education's Child and Student Wellbeing Strategy](#).

The details for the survey are:

When: Tuesday 10th March – Friday 3rd April

Who: Grade 4-12 students

What do I need to do: You and your child don't need to do anything. The survey will be done in class time and will not require your child to prepare in any way.

A letter with more information has been sent home with all Grade 4-12 students and a form to sign and return to the school if you do not want your child to participate in the survey.

If you would like further information, please contact your child's teacher or collect a FAQ sheet for Parents and Carers from the school office.

Thank you for supporting us to ensure that all our learners are safe, feel supported and are able to flourish, so they can engage in learning.

Foods with I I/12

So far this year we have been learning new techniques in cooking. we have pickled beetroot, onions and cucumbers. We have learnt how to successfully create delicious pavlova and banana caramel tart. Last week we tested our arm muscles to create cream puffs and choux pastry. We are really enjoying it so far, we are so keen to learn more because we have the best cooking teacher.

By Candice I I/12 student

Campbell Town District High School School Association Election 2020

The Campbell Town District High School School Association works closely with the Principal and staff to assist with the management of the school. Under the constitution of the CTDHS School Association, nominations are open for parent and community members on the committee.

Election of the Association

- Nominations for positions must be made by two individuals coming from different families and endorsed by the nominee. The nomination form is below.
- If we need to vote, depending on the number of nominees, ballot papers will be distributed the week prior to the Annual General Meeting. Ballot papers will be sent home to each family and must be returned by the due date. One vote per family. Voting will occur over the course of three days.

Terms of Office - at the end of each Association year members who have served two years on the Committee may retire. They are able to re-nominate. **Nominations forms must be received by Friday 6th March at 12 noon.** If necessary, voting will occur between Tuesday 10th, closing Thursday 12th March 2020 at 12noon. Committee members will be listed in the next available newsletter after voting has occurred.

Campbell Town District High School School Association Nomination Form 2020

We, _____ (Name) _____ (Signature)

_____ (Name) _____ (Signature)

Nominate _____ (Name) _____ (Signature)

Please circle category: Parent representative or Community representative

for nomination to the Campbell Town District High School Association for 2020.
This nomination form must be returned to the returning officer, Mrs Rebecca Lovell at the school office by 12noon on Friday 6th March 2020.

Primary Communication Books

Can parents please ensure that they write in their child's communication book what their child is doing after school. We have had several children miss busses as they are unsure.

Dyslexia impacts the learning of 10% of children. Many go without recognition and do not get the support that they need. **Dyslexia is not related to intelligence**, it is a persistent difficulty with reading and spelling. Understanding dyslexia is the key to getting the right help and ensuring your child is on a positive pathway.

Swimming Carnival 2020

Congratulations Elizabeth House

The 2020 CTDHS Swimming Carnival was held on Tuesday 25th of February at the Campbell Town Pool. The weather was wonderful for what turned out to be an excellent day. Participation throughout the carnival was excellent, congratulations to all students who raced on carnival day! Elizabeth house came home strong after holding a steady lead for most of the day. Their participation and can do efforts definitely got them across the line,

A huge thank you to the CT Pool committee for running the canteen for the day and thank you to parents and friends who came along to watch and support the students, it was a great atmosphere!
Ashlee Lowe - HPE Teacher

School Banking day is Thursday

Remember, **Thursday** is School Banking day and students can bring in their weekly deposit.

For every deposit made at school, students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits. School Banking is also a great fundraiser for our school. Our school receives a Regular Savers Contribution of \$5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

If your child has lost their book, please contact your School Banking Co-ordinator for a replacement or visit any Commbank Branch.

Thank you for supporting the School Banking program at Campbell Town District High School.

If you would like to know more about School Banking, please ask for a 2020 School Banking program information pack from the school office or visit www.commbank.com.au/schoolbanking
