## Principals Report

### Term 2

Term 2 will commence on **Tuesday 28th April 2020**. In Term 2, schools will remain open for students where parents or carers are unable to support or supervise their child/ren's learning at home. For all other students, learning will continue to be at home, with teachers leading this learning.

Students who are learning from home should be at home participating in the learning program provided by teachers during school hours. If you are unable to ensure your child/ren are at home or are unable to support them to complete the set work then your child should attend school on-site. It is important that our students do not lose a term of learning.

There will be times during the week that teachers will meet online with their classes for students with internet access. Other students will be contacted during each week by their teacher to check in on how they are going and to support their learning.

**Learning at CTDHS will look like this:**

Teachers will provide students with a fortnightly learning schedule.

Our learning program will be delivered in the following ways:

Offline – paper based materials distributed fortnightly

Offline – on a device, materials distributed on a USB fortnightly

Online – learning distributed through Canvas

Onsite – learning delivered in person at school

The first of the learning packs will be available on Monday the 27th of April. Packs can be picked up from the school office from 12 noon. We will also have the following pick up points for packs to be collected:

Epping Forest (outside the Epping Forest Hall) at 3:30pm

Avoca (at the Avoca Primary School carpark) at 2:30pm

Ross (outside the Town Hall) at 3:30pm

If you would like to pick your pack up from these collection points, please notify the school office.

If your child is in Secondary and needs to pick up their computer/laptop this must be done from the school office.

### School Camps

Due to the banning of overnight excursions for the remainder of 2020 as a result of Covid-19, all school camps for 2020 have been postponed until 2021. This will mean that in 2021 camps will be held for students in Grades 4, 5, 6, 7, 8 and 9.

### Use of Mobile Phones by Students Policy

At the regular meeting of the School Association two weeks ago, CTDHS's Mobile Device Policy was adopted. As a result of this policy the following conditions will need to be met by students whilst at school:

#### All students:

Students with 'smart watches' must have them set to 'aeroplane mode'.

#### Primary Students (K-6)

Primary students must not have a mobile phone at school.

#### Secondary Students (7-12)

Students (Years 7-10) at CTDHS are permitted to have mobile phones in their possession during the school day. However, they must be switched off and neither seen nor heard.

Students (Years 11 and 12) at CTDHS are permitted to have their mobile phone in their possession during the school day and can only be used at break times.

A copy of the policy is available from the school office if you would like more details. **Principals report continued over page:**
