## Principals Report

It has certainly been great to have students back on site across the school.

Congratulations and thank you to all students and parents who have followed the Government's instructions over the last twelve weeks as we kept the community safe for all.

Learning At Home was a big adjustment for students, staff and families but it proves that when we put our mind to a problem we can generally come up with a solution, be adaptive and agile when required and still achieve our goals.

Working in isolation from their peers has been a challenge for some and returning to school will enable them to rekindle friendships and return to normality.

The school has developed a COVID-19 safety plan which details a range of measures designed to ensure the wellbeing of staff and students.

COVID-19 will continue to impact the types of activities that will occur within our school for some time into the future and we will continue to take advice from Public Health and the Department of Education. As clarity around activities is provided we will update parents and students through our email system, on our Facebook page and in our fortnightly newsletter.

We have welcomed a number of new students to CTDHS this term who have moved to our community during recent weeks. We have been pleased to see how welcoming our students have been in assisting our new students to settle in.

Monday was International Cleaners Day. We thank our fabulous cleaners for ensuring we have a safe and hygienic environment every day. An especially big thank you to each of you for going above and beyond during COVID-19.

Last week one fantastic Teacher Assistants achieved 20 years of service to our school – congratulations Liz Webber. How lucky our school community is to have you on our team.

The next three weeks will be a challenging time for students and families as they settle back into school following the long break away. Please contact your child's teacher, sector leader or myself if you have any concerns or questions over this period.

## Tasmanian Premier's Reading Challenge

The Tasmanian Premier's Reading Challenge began at the start of Term 2 and continues until the end of Term 2 for all Primary students. Secondary students can also participate if they wish to.

To complete the challenge you need to read **10 books in 10 weeks**; you can read more if you wish; just add an extra reading log page to your log book. Reading logs are available from your class teacher or online.

Visit <https://premiersreadingchallenge.tas.gov.au/> for more information.

You can download the reading log and the extra page from [https://premiersreadingchallenge.tas.gov.au/Documents/2019\\_PRC\\_Reading\\_Log-type\\_into.pdf](https://premiersreadingchallenge.tas.gov.au/Documents/2019_PRC_Reading_Log-type_into.pdf)

All students who complete their reading logs will go into the draw to win book prizes.

## Office Changes

- **Notices** that do not require a permission slip to be signed will now be emailed to families. If you do not have an email address you will continue to receive notices by hard copy via your youngest child.
- **Phone** - When you call the school office you will now be prompted to press one if you have a student absence and can leave a message or two to speak to our admin staff.

## WANTED - CAN YOU HELP

**Do you have an old 4 stroke lawn mower or motor that you do not use or need?  
Campbell Town District High School can use it.**

Our Year 11/12 students are doing a course in the last half of the year and we need 6 X 4 stroke engines. If you have one that still goes or might need minor repairs and you would like to donate it, it would be very much appreciated.

If you can help with a donation we can arrange to pick it up. Just let the office know on 63811166. Leave your name and phone number and we will contact you to arrange a suitable time to pick it up.
