

30th July 2020

## Principals Report

Welcome back! We are very pleased to be back to full learning on site.

Classroom learning is well and truly in full swing – with students engaged and focused on their learning across the school.

It is great to see the return of School Sport, our Primary and Secondary students have certainly enjoyed participating in this.

Last week our Launching into Learning program recommenced. It was fabulous to have so many families attend our first two sessions. Pre Kinder begins next week – we are certainly looking forward to meeting our next cohort of students.

As our COVID-19 restrictions have eased we are seeing a return of excursion to our program. Next week will see our 11/12 VET class participating in learning opportunities off site at Bonarong Wild Life Sanctuary. Our Indigenous students in the Primary area will also be participating in a cultural day at Lewisham.

On the student free day our Grade 3 to Grade 10 teachers participated in online professional learning experiences with teachers from St Helens, St Marys, Bicheno and Winnaleah. The opportunity to work alongside other teachers was once again a great opportunity to continue to improve and grow our teaching practice. Our K-2 staff continued their work on the Refocus Teaching and Learning Project – again the commitment and growth of our teachers in this work is visible in our learning spaces and is having a direct positive impact on our learners in this area.

At the end of last term our mid-year reports were sent home. We have trialled a different format for our reporting. We are hoping the reports were more informative and that students will be able to see the progress they are making with their learning. Next week we will have a survey available for parents to give us feedback on this format – I hope you will take the opportunity to let us know what you think.

This term we have welcomed our new School Business Manager, Kim Barker. Kim has settled in well and is looking forward to meeting our families during the remainder of the term.

Finally, I would like to thank our families for their ongoing support as we transition to the next stage in the COVID-19 journey. Please give me a call if you have any questions or concerns.

Thank you

Cindy Johnston  
Principal

# Get Into Hockey

**Receiving & Trapping**

**Ball & Stick Control**

**Fun Skills**

## Northern Hockey Centre

240 St Leonards Rd, St Leonards

Wear your jeans to school to  
support the Children's Medical  
Research Institute for Jeans for  
Genes Day.

**Thursday 6<sup>th</sup> August**

Gold Coin Donation with all money  
donated going to the Children's Medical

This year in Grade 11/12 in our Project Implementation class, we have decided to put together a nutritious hot winter lunch on Tuesdays for K-13 students and staff. We have called it Slurpy Soup Tuesdays as we are serving soups and garlic bread each week. The soup and garlic bread will be delivered to the classes.

A notice was sent home with your child last week. If you did not see the notice, please feel free to contact the school office for a new notice. The soup will be served weekly not fortnightly as previously advertised.

## School Banking is back

School Banking Day will be **every Thursday**. Please ensure your child's deposit wallet is dropped at the school office by 9.00am each Thursday.
