## Principals Report

### Sporting Schools

A huge thank you to Mrs Lowe for her efforts in securing Sporting Schools Funding for our school. This funding has allowed us to offer some new experiences to our students. Two of the programs started this week. Our Primary students have enjoyed their first Judo session and our Secondary students have had their first Golf session. A great experience all around.

### Student Leaders

It has been great to have our Student Leaders back in full swing this term.

- Next week Students Leaders will be holding a 'Guess the Lollies in the Jar' Competition. Guesses are 50c each or 3 for \$1 and they will be sold at Fruit Break outside the 7/8 classroom. All money raised will be donated to Melanoma Tas. Closest guess wins the jar of lollies.
- Melanoma Tas are scheduled to visit our Grade 7/8 students on Monday 7<sup>th</sup> September at 9am.
- Our Student Leaders will be acknowledging **R U Ok? Day** on Thursday 10<sup>th</sup> September.

### Grade 10 Transition

Recently our Grade 10 students and their parents had the opportunity to attend an information session about their options for further study in 2021. It was fantastic to have so many families attend.

Next week and the week after, our Grade 10 students will be visiting Launceston College and Newstead College for their annual orientation days. We look forward to hearing about their experiences in Launceston.

### Performance Evening

We are currently in the process of making a decision about the best way to hold our Performance Evening this year. Next week we will let our school community know how this will work for 2020.

Please keep well, four weeks to go, so much to learn.

## Public Meeting

Campbell Town is about to have a special birthday and the Campbell Town District Forum wants interested local community groups and individuals to join us in planning a suitable commemoration.

*Having determined on establishing a township on the north bank of Elizabeth River, I have named it Campbell Town in honour of Mrs. Macquarie's maiden name. This township is most admirably well situated in every respect, surrounded by a fine rich country and well watered.*

*Governor Lachlan Macquarie, 31 May 1821*

We're seeking community input at a public meeting to be held at Campbell Town's Town Hall on Monday August 31st from 7pm. Come along and let us know how you think next year's milestone should be marked.

# 11/12 ART

In 11/12 Art we have been learning about pattern, creating collages, drawing and painting techniques. Students are working towards creating work in 3 studio areas to complete our course in Art Making. We will be holding an exhibition early next term where parents and family are welcome to attend to view our work. Lillian - 11/12
