

24th September 2020

Principals Report

Props are ready, rehearsals have been at full pace and in what seems like a blink of an eye, 'Performance Evening' COVID-19 style is ready for filming this Thursday. We will release the filmed version of the performances at the beginning of next term. This year's Curious Creatures theme has sparked creativity and imagination – I am so impressed by the courage of our students in stepping outside their comfort zones for this annual event.

Last week our Country Gold representatives participated in a two day carnival – we are very proud of their courage to have a go and their aspiration to do their best in all they do.

We will be finishing our term on a high this Friday with the Cross Country and our Sports Colours Day. We are so pleased that our children are not missing out on these events.

A reminder that the Department of Education has implemented new departmental guidelines for administering both prescribed and non-prescribed medication to students during school hours. Beginning Term 4 all parent/guardians of students requiring medication must complete new forms. Please contact the office if you have any questions.

This Friday we will be farewelling Mr Mark Howlett. Mark has been part of our team, supporting the learning and growth of students in our Primary area. I would like to thank Mark for the contribution he has made to our students and the humour and support he has given our teachers in his time with us. We wish Mark well in his future endeavours.

In Term 4 we will be welcoming Mrs Kristyn Green as our permanent AST in the Primary area. Kristyn joins us from Evandale Primary School. She has extensive experience in the Primary area and has previous experience teaching in a District High School. Please take the time to come and introduce yourself to Kristyn at the start of Term 4.

I would like to take this opportunity to thank our staff, students and families for the fantastic commitment during this term. We have certainly achieved a lot. The wide-ranging experiences contributing to the learning of our students is first class. The evidence of learning we see every day is supported in the growth we are seeing in our students' achievements every day.

Enjoy a well-earned rest. I look forward to seeing everyone return next term ready for another term of exciting learning. Don't forget your hats as the sun is heating up.

Cindy Johnston - Principal

An update from 9/10B

Forestry

9/10B have been working closely with the Forestry Education Foundation (FEF) and have experienced a Work Exposure Opportunity at school involving FEF, Arbre and Sustainable Timber Tasmania. Our students were introduced to the

work opportunities forestry presents and enjoyed multiple engaging activities. We met cadet foresters and learned about the pathways to many careers this industry provides.

9/10B enjoyed our first excursion for the year on Friday. Students travelled to 'Winton' for a Trees on Farms day presented by Darcy and Kate from Forestry Education Foundation. Our students learned how to measure the height of trees, identify hollows as habitat homes, removed tree guards and planted salt bush to stabilise the dam bank. We took samples from an established native planting around one side of the dam to identify the plant species back at school. It was a wonderful learning experience in challenging weather conditions. Early next term our students will visit a working forest to experience and learn about another productive use of trees.

Slurpy Soup Tuesday's

During Term 2 the I1/I2's have been making soup in our project implementation class.

We would like to thank all the people who supported our Slurpy Soup Tuesdays!

Over the 8 weeks we cooked a variety of 11 different soups.

Our soups proved particularly popular with the Prep/I's. Each week we had orders averaging around 25 across the school.

CROSS COUNTRY

FRIDAY SEPTEMBER 25TH 2020

We are super excited to be holding our annual Cross Country on the last day of Term 3.

Reminders

- * If students are unwell please stay at home.
- * Students should bring clothes for all weather conditions - hats, coats, change of clothes
- * Don't forget your smiles, nutritious food and a drink

To keep us safe

- * Everyone will be regularly hand sanitising
- * Parents who come to spectate will be required to sanitise hands upon arrival, will need to complete the COVID Health Screen and will need to maintain physical distancing at all times.

2021 CARPENTRY APPRENTICESHIPS (4 positions available)

A career in the commercial building industry could be the start of a bright future. With a trade apprenticeship you will earn a wage while you work your way towards a nationally recognised qualification.

To be considered for a **Carpentry Apprenticeship** you must be able to demonstrate:

- A genuine interest in the trade and motivation to succeed
- A good understanding of what your chosen career path involves
- The ability to work as part of an effective team
- Well-developed literacy and numeracy
- A strong work ethic - being reliable, hard-working, fit and healthy

Relevant work experience and/or a relevant pre-vocational qualification would be an advantage.

To apply, send your resume, a copy of your most recent school or college results, a neatly handwritten covering letter stating why you're interested in an apprenticeship and a portfolio of relevant supporting information to:

Manager - Northern Construction
 55 Gleadow Street
 LAUNCESTON TAS 7248

Applications close 5pm,
 Friday 25 September 2020.

Late applications not accepted.
