

19th November 2020

Principal's Report

Pre-Kinder

This week will be the first of four Parent Information sessions for our 2021 Kinder parents. The sessions will operate during the Pre-Kinder session on Friday afternoon. We hope parents/guardians of students starting Kinder next year can make the sessions to get first-hand access to information that will support their child to have the best start to school possible.

Parent Information Evening

On **Tuesday the 1st of December**, at 5.00pm we will hold our Parent Information Evening for Kindergarten and Grade 6 parents and children. The session will give parents the opportunity to hear how Prep and Grade 7 work – the similarities and differences to their child's current experience. It will also give families the opportunity to ask questions and visit the learning spaces their children will be working in. We hope you can make it to these sessions and take the opportunity to meet the staff who will be working with your children and ask questions to help you be prepared for the transition. We realise not all parents will be able to make it on the night, please feel free to contact the school to organise to speak with the relevant teachers if you would like.

Country Gold Cricket

I wish Ollie, Thomas and Archie well for next week where they will be participating in the Country Gold Cricket Carnival. Congratulations on their selection in the team.

Upcoming Events

Over the final four weeks of term there are a number of activities happening across the school. Please keep an eye out for events that involve your children. Our upcoming events include:

24 November – Grade 10 Driving Lessons

1st December – Parent Information Evening

2nd December – Grade 2 Excursion

3rd December – Grade 10 Driving Lessons

8th December – K-10 Christmas Lunch

9th December – Grade 6 Dinner @ CTDHS

11th December – K-9 Celebration Assembly, Transition Day, Grade 10 - Campbell Town in the City

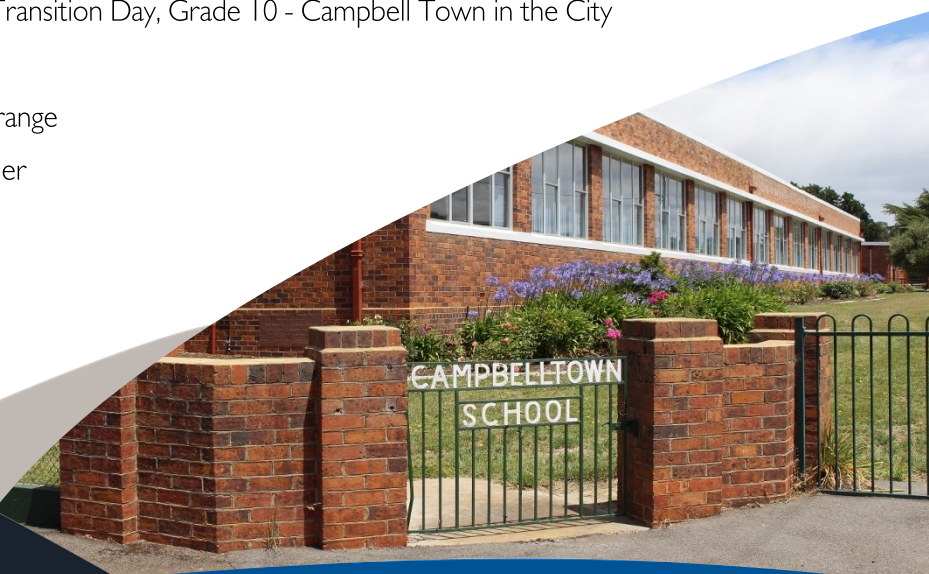

14th December – Grade 10 Activity Day

15th December – Grade 10 Dinner @ The Grange

16th December – Grade 10 Celebration Dinner

17th December – Student's last day

Cindy Johnston - Principal

Campbell Town, Tasmania, Bicentenary Committee

Campbell Town Turns 200

On May 31st 2021 it will be two hundred years since Governor Lachlan Macquarie decreed a town should be built on the site of Campbell Town and a number of community events are being planned to celebrate this bicentenary.

We hope the range of monthly events will appeal to everyone in the community starting with a Picnic in the Park on Sunday 31st January 2021 as well as a formal celebration on 31st May.

Please join us in these celebrations and we would also be grateful if you could support us by helping to make sure Campbell Town looks its best for everyone to admire and enjoy throughout 2021. It would be great if you would also buy a ticket in our fundraising raffle. Tickets will be available from the Campbell Town IGA on Friday 20th November, Thursday 3rd December and at the Christmas Parade on Christmas Eve, when it will also be drawn.

Further information about these and additional events as they are finalised will be available on:

IGA supermarket notice board

Facebook/campbelltownbicentenary

So let your family and friends know and keep the 31st January free to join us in kicking off the celebrations. If you use Facebook we would be grateful if you could like and share our Facebook page so we can reach as many people as possible.

STAS

The Department of Education recently announced that we would be expanding the Student Assistance Scheme for 2021.

Parents who have a current concession card as listed below can apply for dependent students for assistance under the STAS:

- Services Australia – Centrelink Health Care Card
- Service Australia – Centrelink Low Income Health Care Card
- Services Australia – Pensioner Concession Card or
- Department of Veteran Affairs – Pensioner Concession Card.

Please note that if you are already receiving student assistance you do not need to complete a form.

For 2021 a new on-line form has been developed to assist with processing applications for new applicants.

The online form can be completed here: <https://stasonlinesubmission.education.tas.gov.au/>
The form will be available for public use from the 10 November.

Once a validated form is completed the Department of Education will confirm the outcome of your application in writing, this process takes approximately 14 days.

We understand this online option may not be possible for all families, so if you require a hard copy form please contact your school or the Financial Assistance Unit on stas@education.tas.gov.au or 1800 827 077.

Department of Education

Thank you to Scott, our Groundsman and Teacher Assistant, on all the hard work he has put into keeping our grounds neat, tidy and green! Scott also drives our school bus on excursions which takes up his valuable grounds time. Thank you for all your hard work.

GIRLS UNDER 14 - competition starts Monday November 16th with a trial/coach upskill/season launch

Monday 23rd November – Monday December 21st – 4 rounds

For further information and to join up to play please contact: -

Georgie – 0429 590 794 Or Charlotte - 0418 804 007

Dear families,

As 2020 draws to a close I want to say a big thank you all for your support and understanding as we have all worked together, through what can only be described as a year like no other! It was amazing to see the partnership between parents, carers and teachers this year. Thanks for all the creative, consistent and inspiring ways you helped us to help learners to keep learning, even when they couldn't leave home.

Supporting our learners and keeping them safe will always be our number one priority as an education department. COVID-19 has meant a lot of what we do in the school year has had to change. It's been great to feel that we are all in it together as a community, even when these changes have been hard. Thanks for all your help to make it work.

Whilst Tasmania continues to be in a great position, as we have seen this week in South Australia the situation can change very quickly. This highlights just how important it is to continue to follow Public Health advice.

End of year celebrations and activities update

As the end of the year approaches, many of the celebrations and activities that usually occur at this time will also need to be done differently. With borders reopening and more of us travelling around the country, keeping up our COVID-safe behaviours is as important as ever.

We are required to ensure that all our events are COVID-safe, in line with Public Health advice. This will look different from school to school based on the size of the school and the facilities they have available.

Again, some of these changes are hard ones, but we must stay focussed on keeping each other safe. I know our staff are working incredibly hard to deliver these events to as many as they are able. Many schools are setting up live streaming and recording events to make sure that as many of the community as possible are able to take part.

Whatever your school has planned, please support them in their endeavour to hold these special celebrations safely.

Reporting update

Like some of our events, reporting will also be slightly different this Term. Due to the impact of COVID-19 and the complexities in reporting student attendance, attendance data on end of year reports will be for **Term 4 only**.

Thank you again for your support and cooperation. All of what our schools, learners and families have and are continuing to achieve together has been truly extraordinary. You can rely on us to remain flexible and responsive to the ever evolving situation, and to always put learners first – guided by Public Health advice.

I wish you and your families a wonderful end of year and holiday season. Thanks for your partnership this year.

Yours sincerely

Tim Bullard
SECRETARY

Lost Property

We have a lot of Lost Property in the basket outside the office, both lunch containers and school uniforms. If you recognise any of these or could come and check the basket it would be greatly appreciated.

CRAZY HAIR DAY

WEAR YOUR HAIR IN A CRAZY STYLE

OR COLOUR!

FRIDAY, 20TH OF NOVEMBER

NO DONATION REQUIRED

Grade 6 Excursion to Woodfield Adventure Park

On the 18th of November Grade 6 students participated in a “Day Camp” at Woodfield Adventure Park. We participated in a range of activities including a low ropes course, archery attack, an obstacle course and building a cubby that could keep us dry. We thoroughly enjoyed our day of fun filled team building challenges. Erin Unsworth - Grade 6 Teacher

Campbell Town Pedestrian Underpass

November 2020

Campbell Town Pedestrian Underpass

The local Campbell Town Community have been seeking a solution to provide a safe pedestrian crossing point on the Midland Highway for local school students from Campbell Town District School, as well as patients and residents at the local Campbell Town Health Centre.

The Tasmanian Government has committed to providing an underpass under the Midland Highway from the area between Church and Bridge Streets.

The Tasmanian Government is progressing plans for the Campbell Town Underpass and will be awarding a tender in late 2020 to undertake detailed design work for this project. The underpass is anticipated to be located at the intersection of Bridge Street or Church Street and the Midland Highway, and will exit close to the entrance of the Recreation Ground.

The pedestrian underpass will be 3m in width and will provide access for mobility walkers, prams, wheelchairs and pedestrians. It will be lit to ensure 24 hour access as required.

The detailed design of the project will be considered through a Design and Construct tender, which will be finalised in early 2021. It is anticipated more detailed plans will be available for consideration after this time.

This project is funded jointly by the Australian Government contributing \$4.8 million dollars, and the Tasmanian Government contributing \$1.2 million dollars.

It is anticipated works will commence on this project in late 2021.

Contact

If you have any questions, please contact our community engagement consultant, Caroline Lindus at enquiries@eraplanning.com.au

For more information on our projects, visit transport.tas.gov.au.

Thank you for your patience during this important work.

hello@campstasmania.com.au

The Launceston PCYC's Mobile Activity Centre (MAC) trailer will be at the Campbell Town District High School every Friday afternoon - between 3.00pm and 4.30pm for the rest of the school term. FREE recreation activities for kids between 9 and 12 years of age!!! This recreation service is provided at no cost to you, and the program is funded by the Northern Midlands Council.

PLEASE NOTE: We will be providing COVID SAFE sessions, and we will also provide hand sanitiser and social distancing. DO NOT send your child/ren along if they (or you) are sick. Please ensure they bring a water bottle, a hat, and wear appropriate footwear. This program will run outside near the school oval, or indoors at the gymnasium if poor weather is present. STAY SAFE and SEE YOU THERE!!

THIS CHRISTMAS, GIVE JOY

Everyone deserves a Merry Christmas. By donating you are helping many local families experiencing hardship put food on the table and get a toy for their kids this Christmas.
