Learning Showcase: Primary Literacy Parent Sessions

Dear Parents/Carers

On Thursday 11 September we will be holding a Learning Showcase from 3:30pm-5:00pm for Kinder to Grade 10 families. Classrooms will be open for students to showcase their learning from Terms 2 and 3 and we invite you to come along to this celebration to recognise student achievements. No bookings required.

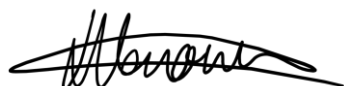

We would like to take this opportunity to also hold family information sessions on UFLI and Word Origins for our Prep to Grade 6 families. These are the programs that are taught daily in our classrooms to support students with all aspects of literacy, and we will be sharing how you can support/extend this learning at home.

UFLI session Prep to Grade 3	Grade 3B Classroom	4:00pm
Word Origins Session Grades 4 to 6	Breakout space by Grade 5 and 6 classrooms	4:30pm

*Please note that teachers will be running these sessions and primary classrooms will be closed during session times.

If you have any questions, please contact us via the school office (03) 6381 1166.

Sincerely
