

School Closure next Wednesday morning – 29th October

Dear families,

As you may already know, Tasmanian Unions, including the Australian Education Union (AEU) and other school-based unions, have directed members to participate in stop work action next week.

For the Northern region, the stop work action is planned for Wednesday, 29 October 2025.

As a result it has been determined that our school will be temporarily closed until 11.00am on this day. With a number of staff participating in the stop work action, our school will be unable to provide adequate duty of care for students until 11.00am.

Please also note that bus operators will **not** be adjusting their timetables in response to the later school starting time.

When students arrive at 11.00am, they should go to their home classroom for morning attendance and messages. The whole school will then move out to the oval at about 11.25am, ready to commence the first day of our Athletics Carnival at 11.30am.

As the start to the day is later than scheduled, we have altered our Athletics Carnival schedule, meaning that the 1500m races will now be held in classes early next week, rather than on the athletics carnival days. Please see the updated Wednesday schedule attached.

Students will not have recess time on that day so are encouraged to have a late breakfast, or some recess snacks before arriving at school.

If you are concerned you will be unable to make alternative arrangements for your child next Wednesday morning, please contact our office as soon as possible.

In partnership,

Mr David Bryant
Acting Principal
24th October 2025
